# **KITZBÜHEL**

We are delighted to be hosting this year's IPAS seminar in the old mining town of Kitzbühel. This charming place owes much of its stunning architectural heritage to the local artist Alfons Walde, whose artwork can be seen in the Kitzbühel Museum.

Situated on the Kitzbüheler Ache River, Kitzbühel is only 120km from Munich, 95km from Innsbruck and 80km from Salzburg. The town's centre is mostly car-free, and has a large selection of elegant shops and cafés.

In March, the average snowfall is 35.6cm, temperatures reach highs of 8.7C and lows of -6.3C, so do not forget to bring your warm clothes!

## **ADDITIONAL ACTIVITIES**

For those of you who would like to take advantage of the snow in your spare time and go skiing or snowboarding, we are fortunate that the KitzKongress is a stone's throw away from the famous Hahnenkamm slope.

Hahnenkamm slope opening times:

- Open 08:00
- Closes 16:00

**Ski passes** can be bought from the Front Office of the **Hotel Kaiserhof**. You can also **buy passes online**: <a href="https://www.kitzski.at/en/tickets-prices/tariffs-winter/day-ticket.html">https://www.kitzski.at/en/tickets-prices/tariffs-winter/day-ticket.html</a>
